Finding Aids to Archives and MSS. Collections

An original microfiche publication

now available on microfiche

31 microfiches (positive silver halide). Zug, 1984. Order number KH-3062/1

This original microfiche publication gives access to fifty inventories of historical archival and manuscript collections held by the Divinity School of Yale University: personal and organizational papers, printed pamphlets, and ephemera related to various aspects of American religious history.

The particular strength of these collections lies in their documentation of the Protestant missionary endeavor.
