Guide to the microform collection
IDC number WCC-1

Publisher's note

The *General Correspondence* archives of the World Council of Churches are arranged in alphabetical order and divided by box number. The structure of this guide and the microfiche collection corresponds with the organization of the actual archives in Geneva, starting with "Aalders" on microfiche 1 (box 42.0001) to "Zyzykin" on microfiche 1490 (box 42.0086). The corresponding ranges of microfiche numbers are mentioned below the box numbers in this guide.

All microfiche are equipped with eye-legible headers, stating box number, (abbreviated) author name and microfiche number. When correspondence files of the same author span several microfiche, the exact range of years pertaining to each microfiche is given in the header.
